1st November – 31st March

Farleigh

The Courses

The course was opened in 1997, a downland-style course, which boasts 27 Championship-standard holes designed by Ryder Cup legend John Jacobs. Set in 350 acres of peaceful surroundings, the tranquillity and stunning scenery of the North Surrey Downs countryside awaits, with stunning views of the iconic London skyline.

The club was bought by the Foxhills Collection in 2010 since which the course has undergone a multi million pound redevelopment . It's impressive makeover has resulted in Farleigh being one of the best conditioned courses year round in Surrey. The course has the feel of an inland links which feature long wispy rough, superbly presented sweeping fairways and USGA greens with a quick and true roll.

The only National PGA venue in the area Farleigh provides a great test for all standards of golfer and come well recommend from both amateurs and professionals alike.

"I was very impressed, not only by the condition of the course, but the aesthetics"
